IF KIDNEYS AND BLADDER TROUBLE

Take Salsi to flush Kidneys and neu-
tralize irritating acids.

Kidney and Bladder weakness re-
sults from uric acid, says a noted au-
thority. The kidney filter this acid
from the blood and pass it on to the
bladder, where it often remains to
irritate and inflame causing a burning,
scalding sensation, or setting up an
irritation at the neck of the bladder,
obliging you to seek relief two or
three times during the night. The
kidney is in constant dread, the
water passes sometimes with a scalding
sensation and is very profuse;
again, there is difficulty in voiding.

Bladder weakness, most folks call
it, because they can't control urination.
While it is extremely annoy-
ing and sometimes very painful, it
is really one of the most simple al-
liments to overcome. Get about four
ounces of Jad Salts from your phar-
macist and take a tablespoonful in a
glass of water before breakfast, con-
tinue this for two or three days. This
will neutralize the acids in the urine
so it no longer is a source of irritation
to the bladder and urinary organs
which then act normally again.
Jad Salts is inexpensive, harmless,
and is made from the acid of grapes
and lemon juice, combined with
lithia, and is used by thousands of
folks who are subject to urinary dis-
orders caused by uric acid irritation.
Jad Salts is splendid for kidneys and
causes no bad effects whatever.

Take salsi have a pleasant, efferves-
cent lithia-water drink, which quickly
relieves bladder trouble.

desired.

WHY JONES ISN'T DEAD IS SOMETHING OF A MYSTERY

Nicanor Jones, a Santa Fe shopman,
accused of hitting Adrian Jones, another
shopman, with a hammer, was held for
the grand jury today in \$500 bail; after a hearing before Justice
Garcia, of Martineztown.

The hammer with which the alleged
assault was committed was brought
in evidence. It is a heavy machinist's
hammer, and it is a mystery why the
blow alleged to have been struck
didn't kill Jones outright. The
rounded head of the hammer struck
him in the front of the head, just
above the forehead. It did break the
skin, but the wonder is that it didn't
break in the skull.

den on the taxpayers of the city. No
additional levy for county high school
would be made. A part of the money
now devoted to the general school
fund would be set aside and devoted
to the county high school. The law
providing for the establishment of the
county high school limits the tax
money for that purpose to two mills.
It is believed that one mill will be
sufficient for all demands in Bernardo
county, and that mill will be taken
from the ten mills now devoted to the

general school fund.

KERRIGAN PORTRAYING SAMSON.

Matinee, 3 P. M.—Two Shows at Night, 7:30 AND 9:15

"SAMSON"

THE STORY of Samson is the story of the strongest man
who ever lived; his name today is known to almost every
man, woman and child throughout the civilized world, and
even to those who do not know his story his name is a syn-
onym of strength. But besides that the thrilling story of the life
of this man, to whom God gave power and strength such as no man
possessed, and to whom He gave *carte blanche* in righting his
wrongs, is the most spectacular, romantic and tragic of any of the
heroes of antiquity.

The film representation which the Universal has evolved from
the history of Samson, and put in six wonderful reels, follows the
account in the Book of Judges with startling accuracy. Nothing is
left out. The film shows the anxiety of Samson's parents for a son,
the prophecy of his birth and tremendous strength so long as he
remains unshaven. Then the camera skips to the period of his
young manhood, his courtship of a daughter of the Philistines and
his betrothal. On the way to the marriage he slays a lion, and upon
returning to the excess sometime later he notices that bees
have begun to live in the charge of two young men arrested by
Chief McMillan Sunday when he recovered the Sandusky automobile
stolen from Douglas, Ark., will be taken back to Arizona for arraign-
ment. They will be in the custody of Sheriff Harry Wheeler, of Cochise
County, who comes here from El Paso last night to get them.

The car will be in the charge of two
young men from Douglas, sent here
by the owner to bring it back home.
Sheriff Wheeler at first planned to
take Derry, English and McGinnis,
the trio implicated in the auto theft,
back by train, but when he was invited
to make the trip with his prisoners
in the car he changed his plans
and accepted.

It will take a day or two to get the
car in shape for the trip. In the
meantime Sheriff Wheeler will enjoy
the sights and hospitality of Albu-
querque, while his prisoners will remain
in the city jail.

The report that taxes will not be
come delinquent until July 1," said
Mr. Sippel, "is without the slightest
foundation in facts. Taxes that have
not been paid by June 1 will be de-
linquent. That is flat, final and without
appeal. The idea that taxes will not
become delinquent until July 1 is
absolutely, completely, and unequivocally
false, and too much emphasis
cannot be placed upon it."

In the light of Mr. Sippel's state-
ment there seems to be no doubt that
unless taxes are paid by June 1 they
will become delinquent, absolutely, absolutely,
completely and unequivocally delin-
quent.

EVERYTHING POINTS TO VICTORY FOR SCHOOL

Albuquerque and the rest of Ber-
nalillo county are voting today on the
proposition to give the school children
of the county the right to attend
the city high school without paying
tuition—to make the city high school
also a county high school. The polls
opened at 5 o'clock this morning and will
close at 5 this afternoon. During that time the schools must remain
closed, as at any other election.

Women over 21 are entitled to vote
today and the women of the city and
county have been active in preparing
for the registration of a good-sized
vote in favor of the proposition. Mrs.
George Brewer, president of the
Equal Suffrage association, sent out a
special appeal to members of the associa-
tion last night urging them to vote
for the proposition.

There is no question but that the
proposal will carry. There has

been no organized opposition to it,
and its supporters have been active.
It requires only a majority of the
vote cast to carry.

The establishment of the county
high school means no additional bur-

den, except the cost of the building
and the maintenance of the school
and the teachers.

Some time later, the Philistines, giving a feast in the Temple
of Dagon, sent for the blind Samson to make sport for them while
they feasted. He comes, led by a small boy. In desperation at the
humiliation put upon him, he asks the boy to lead him to the pillars
which support the temple. Praying to the Lord to give him
back his strength this once, he leans upon the pillars, and the roof
of the Great Temple of Dagon comes tumbling down upon the multitude.
"And those which he slew at his death were more than all they which he killed during his lifetime."
